At 7:30 P.M. the Town Meeting reconvened in the Fire Station to act on Articles 2 through 35. The meeting was started with the Pledge of Allegiance to the Flag. Moderator Edward Libby read the results of the Town Election, including the Town Officers, School Board Members and Amendments to the Zoning Ordinance.

Article 2. It was moved by Aaron Smith, seconded by Chuck Burns to raise and appropriate the sum of $251,951 to defray the town charges for the ensuing year. The vote was unanimously in favor.

Article 3. It was moved by Chuck Burns, seconded by Lewis Hanson to raise and appropriate the sum of $218,931 for the maintenance of the Town Highways and Bridges, including sidewalks, and dead tree removal, $24,148.41 to be paid from State Highway Block Aid, the balance of $194,792 to be raised by taxes. The vote was unanimously in favor.

Article 4. It was moved by Lewis Hanson, seconded by Chuck Burns to raise and appropriate the sum of $361,000 for the purpose of upgrading Kelsea Avenue and Kelley Court, and to authorize the issuance of $361,000 of bonds in accordance with the provisions of the Municipal Finance Act (RSA 33) and to authorize the Selectmen to issue and negotiate such bonds and to determine

the rate of interest thereon; first payment to be made in 1999. A two thirds ballot vote is required for passage. Lewis Hanson spoke to this Article. The Selectmen did not recommend this article. In 1997 this was a petitioned article. The Selectmen had an engineering study done on the upgrading of this road. A figure of $361,00 is what the engineers feel this upgrade will be cost. The principal and interest will be $53,145 a year for ten years. Eight thousand dollars is put into the highway budget each year for roads. Instead of spending $500,00 over ten years the Selectmen feel that $20,000 from Article 6 could be used to shim Kelsea Ave. A road priority list has been compiled. The Selectmen are recommending Article 6. Warren Perkins, from Waukewan Rd. spoke regarding the roads. He feels that they are smoothing out. He would like to see better roads if we can afford them. He feels that we should pay as we go. Chuck Burns stated that the $20,000 to be spent on Kelsea Ave. is a minimum. Road reconstruction priority would be a yearly "pay as we go" program. The polls were open for 66 minutes. The vote was 9 Yes and 76 No. This article did not pass.

Article 5. It was moved by Lewis Hanson, seconded by Chuck Burns to raise and appropriate the sum of $60,000 for the purpose of upgrading Town roads, a minimum of $20,000 to be spent on Kelsea Avenue and Kelley Court, and the remainder on sections of roads deemed necessary per priority of the Road Agent and the Selectmen. David Johnson asked if both articles pass will both be in effect. Edward Libby answered, "yes". There was discussion on waiting to vote on Article 5 until after the results of Article 4 were know. This Article passed with all but one vote in the affirmative.

Article 6. It was moved by Chuck Burns, seconded by Lewis Hanson to authorize the Selectmen to enter into a lease-purchase agreement in the amount of Seventy-three Thousand Four hundred Fifty-five Dollars payable over a term of five (5) years at the rate of Sixteen Thousand Four hundred Twenty-one Dollars and Sixty-six Cents per year to purchase a new Case Backhoe-Loader for the Highway Department, and to raise and appropriate the sum of $16,421.66 for the first year's payment for that purpose. Jeff Haines, Road Agent, spoke to this article. The present machine is a 1984 model. We have been offered a large trade-in from the company. John Rogers asked what the interest rate is? Chuck Burns answered 5.8% to 6%. This article required a two third vote. The vote was 73 Yes and 9 No. This article passed.

Article 7. It was moved by Aaron Smith, seconded by Richard McCahan to raise and appropriate the sum of $163,298 for the disposition of Solid Waste. The vote was unanimously in favor.

Duke Kline asked how old 5M2 is? Scott Davis answered that it is a 1989. A two thirds ballot vote is necessary for this article. The vote was 74 Yes and 9 No. This article passed.

Article 10. It was moved by Aaron Smith, seconded by Warren Perkins to raise and appropriate the sum of $96,698 for the operation of the Police Department. Duke Kline asked why the amount for the Police Department has taken such a boost. Chuck Burns explained that the Police Chief has asked for a cadet to patrol the beach area after the lifeguards leave for the day. The cadets will also be able to help with boat launching. Duke Kline asked for a definition of what a cadet is? Also if this is a paid person, and if the Town will have to buy a bike? Chuck Burns answered Yes, this is a paid position and we will have to buy a bike. Chief Andrew Faller explained that he is looking for a high school student 15 or 16 years old who might be interested in police work. This person could hand out tickets, but would have no arrest powers. This would be 7 days a week and we would need 2 cadets. Duke Kline asked if there was a program for this. Chief Faller answered, "No". The vote was unanimously in favor.

Article 11. It was moved by Aaron Smith, seconded by Roger Martin to raise and appropriate the sum of $36,044 for Parks and Recreation, to include Band Concerts, Holiday Celebrations and Lifeguards. The vote was unanimously in favor.

Article 12. It was moved by Eloise Coudert, seconded by Bart Coudert to raise and appropriate the sum of $5,000 for improvement to the playground at the Town Beach. Eloise Coudert explained that presently at the beach there is a play area consisting of a slide, swings, a teeter-tooter, and parallel bars. The concrete bases are exposed which creates a danger. The purpose of this article is to remove this equipment and place sand around these areas and if there is any money left to purchase new equipment. The vote was unanimously in favor.

Article 15. It was moved by Lewis Hanson, seconded by Bess Hanson to raise and appropriate the sum of $6,000 for Direct Welfare. The vote was unanimously in favor.

Article 16. It was moved by Gregory Garrick, seconded by Helen Heiner to raise and appropriate the sum of $500 for the Centre Harbor Historical Society. (Funds to be used for the repair of the old Center Harbor School.) Richard McCahan asked how much repair can be done for $500. Lewis Hanson explained that the $500 that the Town appropriates is a small amount that the Society spends to do minor repairs. Helen Heiner, the president of the Society, explained that the Society could use more money and perhaps someday they will ask the Town for a larger amount. The vote was unanimously in favor.

Article 17. It was moved by Chuck Burns, seconded by Aaron Smith to raise and appropriate the sum of $1,000 for Center Harbor's share of the operation of the Red Hill fire Tower. The vote was unanimously in favor.

Article 18. It was moved by Jean Meloney, seconded by Eloise Coudert to raise and appropriate the sum of $4,275 for the support of the Inter-Lakes Day Care Center. The vote was unanimously in favor.

Article 24. It was moved by Mary Ellen Wargo, seconded by Bess Hanson to raise and appropriate the sum of $400 for the support of the Greater White Mountain Chapter of the American Red Cross. The vote was unanimously in favor.

Article 25. It was moved by Helen Heiner, seconded by Eloise Coudert to raise and appropriate the sum of $750 for the support of New Beginnings. The vote was unanimously in favor.

Article 26. It was moved by Jean Meloney, seconded by Walter Kneeland to raise and appropriate the sum of $500 for the Lakes Region Association. David Schimke asked what the Lakes Region Association is. Lewis Hanson explained that this request has been in the Warrant for years and there has always been a discussion on it. Bart Coudert explained that he has trouble with this article. He does not know why the business community needs our tax money. He recommended that this article be voted down. By a show of hands this article was defeated.

Article 27. It was moved by Janet Stearns, seconded by Diane Drenkhahn to raise and appropriate the sum of $1,500 for flowers and materials to continue the Bicentennial Gardens which were planted in 1997. Jean Meloney asked how many flower beds, where they were located, and what kinds of flowers would be planted. Janet Stearns explained that the Bicentennial Committee planted the gardens around Town. Members of lakes region garden groups and individuals in town have offered to help care for the gardens. The bills would be submitted to the Town Office. By mid April there will be a map of the different gardens. The gardens will not be helter-skelter and it does not mean that all the money will be spent. The vote was unanimously in favor.

Article 28. It was moved by Seth Ira Stearns, seconded by Paul Mayerson to raise and appropriate the sum of $50,000 to fund and conduct the activities of the Park Development Commission, this sum to be offset by grants and donations and no monies to be raised by taxes. Seth Stearns explained that a year ago the Town was asked to raise money for the Bicentennial and Bandstand. The Bicentennial Events and the Bandstand were done without any taxes. We will not be asking for tax money. There is still work to be done and we encourage your support. Robert Beem asked a technical question regarding the wording of this article. Lewis Hanson responded that this article was approved by DRA as written. The vote was unanimously in favor.

Article 29. It was moved by Lewis Hanson, seconded by Chuck Burns to raise $30,000 for the purpose of reducing the General Fund Deficit pursuant to RSA 41:0.V. The vote was unanimously in favor.

Article 34. It was moved by Aaron Smith, seconded by Bess Hanson to authorize the Selectmen to sell property acquired by Tax Collector's Deed, by public auction (or advertised sealed bid) or in such other manner as determined by the Selectmen as justice may require, until rescinded. The vote was unanimously in favor.

Article 35. There were no agent or committee reports. It was moved by Seth Ira Stearns, seconded by Chuck Burns to adjourn the meeting. The vote was unanimous in the affirmative. The Moderator declared the meeting adjourned.

TOWN OF CENTER HARBOR PLANNING BOARD REPORT

The Planning Board continued its work this year keeping busy with a steady docket of various activities. Non-residential site plan reviews seemed to be the most often discussed presentations at our regular meetings. These presentations are typically not finalized at one meeting, and do require the Board to study our ordinances and sometimes discover that they aren't always as clear as they should be. This appears to be the case with the latest deliberations with Coleman Concrete Inc., a company who would like to locate a concrete batch plant in our "Commercial/Light" district. Many residents have attended the meetings and questioned the use as to whether it is appropriate in our town. This type of input is very important to the Board, and does raise the issue that the ordinances are in need of fine tuning. The Board values all public input, and would like to see more residents get involved with the ordinance review process.

Other site plans the Board continues to work on include the Legion of Christ Seminary School which is taking shape to be a premier facility, and the Coe House which was sold this year and is in the process of becoming a new restaurant. The Board is very happy to see one of our Town's stately old mansions undergoing complete renovation transforming it into a new focal point in the town square. It is always a pleasure to work with people who have a vision and the means to see it through.

The Board is very grateful to our clerk Sheila Mohan, who keeps us organized and on track. We welcome residents to our meetings which are held the first and third Tuesday of every month, and with support look forward to the challenges of the new millenium.

Respectfully submitted,

Kirk Meloney,
Co-Chair, CHPB

There was a strong increase in the use of the Nichols Memorial Library this past year. Circulation of library materials rose over 500 items from 1997 and more than 5,900 people made use of the Library. A significant addition to our public service capabilities was the acquisition of a public access computer this summer. This was made possible through gifts from the Meredith Village Savings Bank, Enhanced Computer Services and individual donors including taxpayers who supported the computer fund drive by purchasing coffee and baked goods at the Town Meeting. The efforts of the Technology Committee comprised of Gary Cosine, Art Cowdry and Jon Pounds were responsible for the background study, choice of hardware and software and initial operation of the computer. Library access to the internet was provided free by Cyberport. In addition to internet access, the computer is equipped for public use with Microsoft Word and Microsoft Office Suite, Grolier and Encarta encyclopedias on CD-Rom. On Wednesday evenings during the summer, members of the Technology Committee gave instruction to Library patrons on navigating the internet and using the software programs. They continue to be available by appointment to provide this service.

Through the generosity of the Meredith Village Savings Bank and Library Trustee, Helen Heiner, the Library continued to provide family passes to the Christa McCullife Planetarium and the Science Center of New Hampshire. The annual book sale held in July was successful in recycling items no longer needed at the Library and in raising funds for further purchases. The Trustees hosted the second annual "Day of Appreciation" in September.

With help from members of the Library Association, they held an open house as a thank you to the taxpayers, businesses and private individuals who showed their support for the Library this past year. A survey was compiled by Trustees and Library Association members to solicit opinions on library services and objectives. This was mailed to taxpayers and library users in the fall. The survey answers resulted in a focus on four areas for the immediate future. The Trustees and the Nichols Memorial Association will be exploring options to increase programming, especially for children, increase library hours during the summer, increase acquisitions from videos, audios, magazine and newspaper subscriptions from sources apart from the budget and computerizing library holdings. We thank everyone who filled out the survey and returned it.

Mary Ellen Wargo, Parks and Recreation Director, with Eloise Coudert's help, organized two children's craft programs at the Library in April. The youngsters enjoyed making rainsticks which they used to accompany Eloise's songfest. At the second session young people learned watercolor painting techniques and produced original art work. In May children worked to ready their Bicentennial garden at the Library for the summer. Mary Ellen and the Library Trustees sponsored a community Christmas party at the Library in December with Christmas crafts, caroling, refreshments and tree lighting.

Thank you to the Library Trustees, Library Treasurer Sarah Heath, Library Assistant Judy Hodges, and the Library volunteers who gave their time and energy in support of the Library. We appreciate all the community members and businesses who gave services and donations to the Library during 1998

NICHOLS MEMORIAL LIBRARY ASSOCIATION

The Nichols Memorial Library Association (NMLA) was set up by James E. Nichols when the library was endowed. Though called an Association, its role is similar to that of a FRIENDS group as found in other libraries in the area. The NMLA differs in that the members are elected to serve staggered three year terms in the Board of Trustees for the Library. These Trustees along with two others elected by the Town of Center Harbor assist the Librarian with the day-to-day running of the Library as well as in overseeing the care and maintenance of the library building. The NMLA being the parent body historically has defined its role as a support group to the Librarian and the Board of Trustees taking on those tasks for which there never seems to be enough time to accomplish. At the January 1998 Annual General Meeting several suggestions were made by the membership of the NMLA to galvanize the group into action during the next 12 month period.

And it has been an active year! One of the first needs to be met was the formation of a Technology Committee which was responsible for the installation in June of a Public Access Computer. Meredith Village Savings Bank and Enhanced Computers of Meredith were major contributors. Cyberport gave free access to the Internet and the members of the Technology Committee contributed many hours to the installation and the needs of those who wish to use it. The committee still continues to make itself available to those who wished to learn how to use the World Wide Web and the installed software programs. To this date over 200 people have made use of this new facility.

In July a first Library Newsletter was sent out to over 100 members, patrons and friends of the NMLA. A "Needs Survey" was prepared by another committee and through the cooperation of Town Officials 1000 copies were distributed with the mailing of tax bills in October. Results of the 100 Surveys returned have been tabulated and comments read and considered. These have served as a guide when developing goals for 1999 and beyond. Another initiative had been to restructure categories of membership in the NMLA. Previously there was but one class of membership with dues of One Dollar per annum. Now there is a graduated scale of membership options with increased benefits according to individual choice. At the January 1999 AGM, membership stood at 68.

Seven active standing committees have been formed to deal with specific elements of the NMLA work. They are as follows: Building, Computerization, Fund-raising, Membership, Newsletter, Program and Volunteer Coordination. Based on results of the Survey (see above) Focus Areas have been decided upon and three year plans are being developed for each.

The future looks bright for the Nichols Memorial Library and its Association. Any resident of Center Harbor or its near neighboring communities is welcome to use the facilities and to join other Associates in perpetuating the vision of James E. Nichols. For more information drop in or contact the library (Telephone

number 603 253-6950)

For the NMLA,

Paul S. Mayerson
President

CENTER HARBOR CONSERVATION COMMISSION 1998 ANNUAL REPORT

During 1998, the Commission concerned itself with several Dredge and Fill permits for the reconstruction of existing docking facilities on the lakes within the Town.

The Commission completed its twelfth year of Lay Lake Monitoring in Center Harbor Bay. Lake monitors take water samples from the deepest point of the bay and the bay entrance on a weekly basis during the summer months. Since the inception of the monitoring program, Center Harbor continues to enjoy the benefits of ogliotrophic (clear and clean) lake. This program is part of a statewide monitoring program under the direction of the Field Biology Group at the University of New Hampshire.

The Commission was also involved in the annual Household Hazardous Waste Collection Day which took place at the Meredith collection station. Hazardous household chemical wastes were collected and disposed of properly with the assistance of a professional waste collection company.

The Ken Sorlien Campership Award was made available to two Center Harbor youths again this year. Its purpose is to promote conservation awareness through education. Annually our town sponsors two young people to participate at a Conservation Camp at the Bear Brook State Park in Allenstown.

The Commission was awarded grant monies this year which have been earmarked for replacement tree planting at the town beach area.

REPORT OF TOWN FOREST FIRE WARDEN AND STATE FOREST RANGER

To aid your Forest Fire Warden, Fire Department and State Forest Ranger, contact your local Warden or Fire Department to find out if a permit is required before doing any open burning. Violations of RSA 227-L:17, the fire permit law and the other burning laws of the State of New Hampshire are misdemeanors punishable by fines of up to $2,000 and/or a year in jail. Violators are also liable for all fire suppression costs.

There are ten Forest Rangers who work for the N.H. Division of Forests and Lands, Forest Protection Bureau. State Forest Rangers are available to assist communities with forest fire suppression, prevention and training programs as well as the enforcement of forest fire and timber harvest laws. If you have any questions regarding forest fire or timber harvest laws please call our office at 271-2217.

There are 2400 Forest Fire Wardens and Deputy Forest Fire Wardens throughout the state. Each town has a Forest Fire Warden and several Deputy Wardens who assist the Forest Rangers with forest fire suppression, prevention, and law enforcement. Early in 1998 we experienced an ice storm, which caused severe damage to forests of New Hampshire. This damage created a greater potential fire hazard as well as safety hazards to many areas of the State. Your local fire warden and Forest Rangers need your assistance in preventing wildfires in these hard hit areas throughout the State. If you need assistance or information dealing with ice damaged woodlands, please call 1-800-444-8978.

State of New Hampshire operates 15 fire towers, 2 mobile patrols and 3 contract aircraft patrols. This early detection and reports from citizens aid in quick response from local fire departments. This is a critical factor in controlling the size of wildland fires and keeping the loss of property and suppression costs as low as possible.

CENTER HARBOR PARK DEVELOPMENT COMMISSION

The Center Harbor Park Development Commission was established to preserve and extend the community spirit that was generated during the Town's Bicentennial. The commissioners are all former active members of the Bicentennial Committee and have a keen interest in seeing the continuation of the area development. The commissioners are: Seth Ira Stearns, Chairman, Paul Mayerson, Vice Chairman, Nancy Starrett, Secretary-Treasurer, Ingrid Smith, Chris Williams, Richard Drenkhahn, and Nancy Kelley.

1998 was the year after, "the year to be here". The Commission encountered a dry spot in the area of fund raising. The first attempt was to sponsor a world renowned violinist, Jack Glatzer, in a spring concert. The concert was superb, but the weather for an early spring day was better, so our first fund raising efforts just broke a little ahead of even. The summer raffle that included five very attractive prizes was much more successful.

The commission was able, (through the kindness of Scott Burns, David Cutter and Jeff Haines), to finish the first two steps of the amphitheater in front of the bandstand. The volunteer work day this past fall saw about two dozen people working on the project. The plan is to finish that project this spring. Money was donated to enhance the beach at High Haith, and that effort will be also undertaken this spring. Efforts to improve the overall park area in Center Harbor will also be given assistance by the Regional Scenic Byway endeavor by highlighting the College Road section that runs through our town. This undertaking will supply funding from the Department of Transportation to identify and display historical points of interest in our community along that byway.

Although the private purchase of the Coe House did not directly involve the Park Development Commission, we still remain very much interested in the spark that the renovation has created and want to encourage and applaud the Jones' for their contribution to the preservation of the heritage of our unique community. We are looking forward to a more productive year in 1999 in preparation for the entrance into the new millennium.

Seth Ira Stearns, Chairman
Center Harbor Park Development Commission

PARKS AND RECREATION DEPARTMENT
ANNUAL REPORT 1998

1998 was a year of change for the Parks and Recreation Department. After many years of service to the town Eloise Coudert retired as Director. However to ensure a smooth transition she stayed on to help with the Town's major events, for which I am extremely grateful.

The year's festivities began with the Annual Easter Egg Hunt and Party, which was its usual success with an estimated turn out of 80-100 children. The children had great fun hunting for candy and painting and decorating eggs. Thanks again to all those who donated candy for this event. Also in April a much-needed pay phone was installed at the ball field on Route 25B.

The Nichols Memorial Library cosponsored a program of Music and Mayhem for two consecutive Saturdays in May. The Memorial Day parade led by the American Legion was a wonderful tribute to all those who died in service to our country. The Reverends Farrah and Eaton officiated over the three stops on the parade route, while representatives from the local Boy Scout and Brownie troops laid wreaths and the Interlakes High School Band played.

Early June gave us the promise of two Lunchtime Concerts to be given at the bandstand. All the area business were personally invited as a show of appreciation for all that they do for the town. Unfortunately, the first concert to be given by the Intelakes High School Band and Chorus had to be canceled due to extremely windy conditions. The second concert was performed as planned through the combined efforts of the Interlakes Elementary School Band, the Sandwich Elementary School Band and the Lakeland School Band. The concert was well attended and the children enjoyed a picnic and some swimming afterwards.

The Center Harbor Town Beach opened officially on June 26th and closed on August 23rd with two lifeguards on duty from 9am to 5pm every day. A new set of comprehensive rules for the beach and park were written and approved by the Selectmen. According to Head Lifeguard Ben Farmer the season was a fairly quiet one.

July 4th was a fun and full day. The Annual Footrace increased in size this year with 496 participants from all over New England and beyond. Thanks again to Bill McCarthy and Chequers Harbour Restaurant for their support and sponsorship. The parade's theme this year was "Born in the USA" and brought out some very interesting ideas of what that theme meant. The Carter Mountain Brass provided the musical entertainment during the parade as well as in a concert at the bandstand afterwards. The day's festivities ended with a wonderful fireworks display over Center Harbor bay.

July also brought us a series of six Friday night concerts by the Center Harbor Town Band under the talented leadership of Paul Mayerson. The band has increased in size to an average of 47 musicians at each concert, as well as advancing in quality of

performance. Two other concerts were added in August, one given by the East Bay Jazz Ensemble and the other by the Center Harbor AllStars.

Center Harbor also threw their "oars" in with Meredith and Moultonborough Recreation Departments in sponsoring "Tippy Canoe and Kayak Too" on July 11th, an event that helped support the Lakes Region Conservation Trust. It was a great day filled with canoe and kayak races, games and family fun. Look for it next July as it has been decided to make this an annual event.

Summer also brought swimming lessons and Kidz Daze for the children. Both programs ran for six weeks and were very well attended. The swimming lessons are sponsored by the Red Cross with certified instructors. Kidz Daze is a program designed to incorporate fun with learning. It was held at the beach on Tuesday & Thursday afternoons for arts & crafts and Wednesdays were spent on field trips with each week having a particular theme. I would again like to thank Joan Royea and Laurel Curnyn without whose help the program would not have been able to exist.

August hosted the 8th Annual Horseshoe Tournament at the Town Beach. It was a lot of fun for all those who participated as well as for those of us who were simply spectators. The winner of this year's tournament was Bob Williams of Meredith.

October brought about the appointment of the Center Harbor Playground Committee. These dedicated volunteers have been working with Dr. Play to determine the placement and design of a new playground at the Town Park.

The annual Children's Halloween Party was again very well attended with games, crafts, fortune telling, trick or treats and a Haunted House that was sponsored by the Center Harbor Congregational Church Youth Group.

December brought the Annual Christmas Open House at the Nichols Memorial Library. There were cookies, music, storytelling, crafts and good cheer. The festivities culminated with caroling and the lighting of the Christmas tree in front of the library.

All in all the year was a very successful one. However, there were attempts at introducing additional programs for the youth of our community that failed due to lack of interest. One being a summer evening program for preteens and teens and the other an after school program cosponsored by the library called "Kidz Kapers".

The Parks and Recreation Department wishes to continue to grow and serve the residents of Center Harbor, young and old alike. If there is anything you would like to see done or would like to volunteer with any of the existing activities please feel free to do so. This is your town; this is your recreation department.

Respectfully Submitted,

Mary Ellen Wargo

CENTER HARBOR TOWN BAND
(ESTABLISHED 1878)

The 1998 season of summer band concerts by the Center Harbor Town Band given at the Center Harbor Bandstand was an outstanding success by any standard.

The official season began with a series of three rehearsals in June. These were held in the Center Harbor Fire Station through the cooperation of the Center Harbor Fire Department, the Center Harbor Highway Department and the Parks and Recreation Department. Attendance at these rehearsals was very good and increased week-by-week as more of our summer musicians returned to the area. Over 30 musicians attended the last rehearsal.

Concerts began on Friday July 3rd and continued for five more weeks. We had 69 musicians on the rolls with an average of 47 for each concert. The general quality of musicianship was much improved this year as was the commitment, loyalty and attendance of the musicians. More than 30 of the musicians performed at five or six concerts. Through good newspaper publicity and the word-of-mouth enthusiasm of satisfied listeners, more and more people discovered a pleasurable experience of being in Center Harbor on Friday evenings. Attendance exceeded all expectations with an average of over 300 at each concert.

The success of the season would not have been possible without the help of a number of Town and Regional organizations. In addition to the three departments named above, thanks are extended to the Park Development Commission, the Police Department, the Town Office Staff, the Center Harbor Congregational Church, the Music Departments of Interlakes and Kingswood Region High Schools and the Meredith News and the Laconia Citizen. Last, but certainly not least is our grateful thanks to the taxpayers and Selectmen of the Town of Center Harbor who have had the vision to continue the 120 year old tradition.

We look forward to serving the community in the years ahead with quality summer evening entertainment.

LAKES REGION PLANNING COMMISSION

LRPC, with a service area covering over 1,200 square miles in Belknap, Carroll, Grafton and Counties, is one of nine regional planning agencies established by state statute. We continued to have a very busy year. Our work program remains diverse with activities such as local planning assistance, circuit rider planning, regional information systems & mapping, transportation planning, economic development, and natural resources planning. We are funded through multiple sources including local dues contributed by member municipalities. LRPC was called upon many times each day to provide local technical advice, and to respond to requests for service. We have also continued to maintain a regular dialogue with those state agencies that depend on us for a linkage to the communities in the Lakes Region. Our goal remains to provide support and leadership to the region, its governments, businesses, and citizens.

A few of our accomplishments over the past year are as follows:

- Co-hosted and organized three public Municipal Law Lectures, a public workshop on excavation taxes, and a workshop on the dollars and sense of conservation open-space zoning. Attended many local meetings for technical planning assistance.

- Initiated a comprehensive outreach effort to identify preferences for areas of local natural, historic, and cultural significance in our 31 communities. Responded to two requests under the Developments of Regional Impact statute.

- Prepared a report on trends in commercial, industrial, and residential development permits in the Lakes Region from 1992 to 1996.

- Approved transportation enhancement projects for consideration by the NH Dept. of Transportation. Completed the first of a two-year Scenic Byway Plan for the Lakes Region Tour. Staffed the Route 16 Corridor Study. Created a video on Access Management using computer simulation.

- Coordinated the 13th annual Household Hazardous Waste Collection (HHW), the largest single day, multi-site collection in New Hampshire. Renewed efforts to include a permanent HHW Collection Center.

- Guided area economic development policy as a board member of the Belknap County Economic Development Council and the Newfound Economic Development Corp.

- Served as the Lakes Region's data clearinghouse for U.S. Census, demographic and statistical data. These data are available to community officials and the public. Updated sections of the regional land use map using geographic information system technology. Responded to requests from all member communities.

- Amended LRPC's Bylaws to ensure that commissioner membership and meetings would include geographic balance throughout the region.

- Represented the region before the International Forum of Coastal Communities on Tourism and the Environment.

- Provided support to the U.S. Americorps staff working with local landowners for water quality and land management. Staffed the Pemigewasset River Local Advisory Committee. Conducted reviews of flood plain ordinances.

We look forward to serving Center Harbor in the future. Feel free to contact the LRPC at 279-8171 for additional information or whenever we can be of assistance.

REPORT OF THE AMERICAN RED CROSS

Dear Friends,

Every day, the American Red Cross stands ready to serve those in need because "help can't wait." For the residents of your community, the Greater White Mountain Chapter responds when fires, ice storms or other disasters strike. As in years past, we are grateful to towns such as yours that provide financial support to the Red Cross.

The mission of the Red Cross is to help people prevent, prepare for, and respond to emergencies. Responding to emergencies includes providing disaster relief services, and Red Cross volunteers are trained to coordinate and provide for the basic human needs of disaster victims, 24 hours a day, 365 days a year.

This direct emergency assistance includes vouchers for food, clothing, medicine, emergency shelter, emergency home repairs, and basic household necessities; thorough damage assessments and building repair estimates; and emergency mental health counseling. In addition, Red Cross disaster volunteers work as liaison between and among other non-profit human service organizations on behalf of disaster victims to coordinate other identified needs such as fuel assistance, emergency care for pets, donations of needed goods and services, pre-disaster needs, etc. All direct assistance from the Red Cross is based on verified, disaster-caused needs. We never send a bill for these services - ever - no matter how costly, or how long we must stay on the scene of a disaster.

The Red Cross also serves as the official communication link between active members of the military and their families, relaying urgent messages regarding birth, death, and serious illness. This service is also provided 24 hours a day, 365 days a year, around the world, without the benefit of any federal or state government funding.

Preparing for emergencies is also a vital part of the Red Cross mission, and one we provide through various health and safety courses, including first aid, CPR, lifeguard training, water safety, swimming lessons, and HIV/AIDS education. Last year, 11,257 individuals received certification in at least on of our courses.

The Red Cross also contributes to the development of the local workforce and economy by offering a nurse assistant training program. Approved by the NH Board of Nursing, the program prepares nursing assistants to meet state and federal requirements for certification for employment in home care, and long-term care facilities. As the elderly population continues to grow, the need for this type of employee will also.

The American Red Cross/Greater White Mountain Chapter provides services to 61 communities in its jurisdiction, which covers more

than 3,000 square miles from Gilmanton to the Canadian border.

The Red Cross is not a government agency and receives no federal or state government funding; we are a non-profit organization that depends on charitable gifts of time and money from the American people to provide our services. We are proud to emphasize that 92 cents of every dollar goes toward direct service.

Please contact me with any questions you may have.

Sincerely,

Denise K. Beauparlant

Chapter Executive Director

REPORT OF NEW BEGINNINGS

On behalf of New Beginnings - A Women's Crisis Center, I would like to thank the citizens of the Town of Center Harbor for their continued support. Your 1998 allocation, of seven hundred fifty dollars ($750.00), has enabled us to continue to provide advocacy and assistance to victims of domestic and sexual assault in all of Belknap County.

Our organization operates a full-time shelter, staffs a 24-hour crisis line, provides advocacy at court, hospitals and police stations, offers peer support groups for victims of domestic violence and sexual assault and runs community education programs. We are members of the Belknap County Family Violence Prevention Forum, a task force made up of community members and professionals initiated by the Governor's Commission to take a stand against domestic and sexual violence in our county.

In 1996-1997 there were 4479 total contacts. New Beginnings volunteers donated 15,694 service hours. All services are provided free of charge.

We are members of the state-wide NH Coalition Against Domestic and Sexual Violence, promoting statewide networking and resource sharing among domestic violence and sexual assault programs. The coalition is the evaluating body and administrator of state and federal contracts that provide some funding for member programs and advocates for legislative change that affects victims of domestic and sexual assault.

REPORT OF NEW HAMPSHIRE HUMANE SOCIETY

We have made numerous improvements in our services to your community. Our staff now includes a trained licensed law enforcement officer to better assist you with enforcement of animal cruelty and welfare laws in Center Harbor.

We are also providing better training to our staff to help your Animal Control Officer and police officers process stray animals. We have added a computerized kennel records management system to help owners recover their lost pets.

In addition to providing services for law-mandated rabies quarantine and euthanasia, we are now providing a greater level of owner education and training than ever before. We recently hired Jennifer Hunter, formerly with the state 911 Emergency Service, whose experience in crisis intervention and education is proving invaluable in teaching owners how to keep their animals from becoming a problem for law enforcement.

Finally, we are working to deserve your support by improving our customer service to the many Center Harbor residents who must leave their pets with us as well as those who adopt pets from us. Our goal is to become the best, most professional animal care organization in the state. We want to be a community asset to Center Harbor as well as the more than 30 other towns and cities we serve in the central New Hampshire area.

Sincerely,

Barry W. Walker
Executive Director
